

Charitable Giving Policy and Request Form

Thank you for considering Roots Market as a potential charitable partner. Our commitment to healthy and mindful living, environmental integrity, improved treatment of animals, community sustainability, and social responsibility is our driving force.

Charitable giving is an important aspect of Roots Market's community engagement, and we aim to support as many efforts as possible.

Non-denominational and non-profit organizations and schools, student-led clubs at academic institutions, and other educational efforts or community-oriented associations sharing that passion are welcome to submit a request for an in-kind donation or sponsorship.

Please fill out the request form below.

When completing the form, we ask that you use the most up-to-date and specific information for your needs. Once your request has been received, we will contact you if your request can be fulfilled.

Fields outlined in red are required.
